Recommended Reading/Watching:

Patternmaking for Fashion Design by Helen Joseph Armstrong (textbook on drafting patterns/sewing for most basic garments. Refer to it often, highly recommend. Current edition is pricey, but you can usually find older versions for cheap on Amazon)

Sten Martin's videos on Pattern draping - <https://youtu.be/ujSMcqJDYus>

Foundations Revealed/Wardrobe Unlocked (more advanced, good if you're getting into corsetry or other advanced types of sewing/anything based on historical garments, princess gowns, etc)
<http://foundationsrevealed.com/>

Punished Props - Foamsmith Books (good basic tutorials on making foam armor)

Kamui Cosplay - Cosplay tutorial books/online tutorials (her youtube videos are very useful, especially for thermoplastics!)

Evil Ted Smith FX youtube (foam tutorials)
